

Crested Butte Land Trust Wine & Food Festival Volunteer Registration and Information Sheet July 25-27, 2008

Thank you for your interest in volunteering for the Crested Butte Land Trust Wine & Food Festival. We are very excited to have your participation in our event! There are many great things happening in Crested Butte for this occasion and everyone is certainly excited.

What

The inaugural Crested Butte Land Trust Wine & Food Festival is striving to create a wine culinary festival that compliments the array of amazing offerings in the Town of Crested Butte and the Town of Mt. Crested Butte, this Festival is the perfect excuse to visit this scenic and captivating area. Proceeds from the Festival benefit the Crested Butte Land Trust (CBLT), an organization whose mission is to protect unrivaled views, provide trails, and preserve wildlife habitat. The CBLT works to keep the Crested Butte valley unique, as too many of Colorado's ski area valleys have lost their ranches, vistas and wildlife habitat. CBLT believes open space has the unique ability to benefit everyone, and provides an economic value for the community which is far reaching and long lasting.
